CARJACKER #1 (O.C.)

Get the fuck out the car!

In a flash, MASKED CARJACKERS YANK the AGENTS out of the car. Camera stays in the now empty car as we hear the jacking continue off camera.

CARJACKER #1 (cont'd)

Lay the fuck down, motherfucker! Lay down! Nice car we 'bout to take this motherfucker for a spin if you don't mind!

The jackers speed off in the car.

CARJACKER #1 (O.C.) (cont'd)

Welcome to Compton motherfuckers!

EXT. FOUR SEASON "TYPE OF" HOTEL - DAY

The two Agents, stripped down to their underwear and looking a bit roughed up, walk to the entrance. A gracious DOORMAN opens the door for them as if all is normal.

DOORMAN

Welcome back to the Four Seasons Gentlemen.

The Agents barely acknowledge him as they continue inside toward the lobby elevators.

INT. AGENT'S ROOM - DAY

The MONSIGNOR is on a computer screen via Skype.
