JESUS (IN CONFESSIONAL)

Like I said, that Lotus pose is  
Buddha's shit not mine. Put a  
brotha's legs to sleep.

As the women fight the men look on, Jesus pulls himself  
across the ground with dead legs to stop the fight --

JESUS (cont'd)

Ain't yawl gonna help me stop this?

BOONIE

In a minute. I think I see titty...

The men high five. Carl and Ms Tudi share evil smiles.

EXT. GARDEN - DAY

Jesus talks to Carl in the garden.

JESUS

I don't know if these extra people is  
such a good idea. And though I wasn't  
with the first robe this new one  
ain't the answer.

Jesus is now in a different, even more garish, robe.

JESUS (cont'd)

Pops made me big. And this is so  
tight I can't take but tiny baby  
steps.

Jesus points - the robe fits tight at the bottom.

CARL

We'll get it changed after this  
scene. Promise.

Jesus sighs, then walks off taking tiny awkward baby steps  
towards a gazebo.

INT./EXT. GARDEN GAZEBO - LATER

Everyone sits in a circle. Bruno and Bambi are now in  
swimsuits. Louie still has his devil horns. Lloyd, for some  
unknown reason, is in a bathrobe.

JESUS (cont'd)

But the best way to get motherfuckers' to respect us, is to respect motherfuckers. But we'll work on that. Lloyd?

LLOYD

My problem is called, "your black ass". I was a drunk, you made me sober and now I'm pissed.

JESUS

We will work to replace your old destructive method of alcoholic bliss with something more fulfilling. Boons, you next.

BOONIE

Jesus, as you well know, my main problem is this bitch here.

He looks at Shalinka, who looks right back at him.

SHALINKA

And my problem is that nigga there. And this half naked white heffa over here.

BOONIE

Oh, but you have no problem with the half-naked Ricco Suave dude right there?

SHALINKA

(eyes all over him)  
I didn't even notice.

JESUS

Here's what's up. Bruno is a sex addict.

BRUNO

Bruno fucks anything.

SHALINKA

Well all right.

JESUS

And Bambi also has sexual issues.

BAMBI

I only do black guys, probably because I'm trying to get back at my racist dad. But, that's like crazy.

LLOYD (IN CONFESSIONAL)  
I've discovered showing my ass and  
ding-a-ling to others is the only  
thing that gives me the same high as  
a fifth of Darby.

BRUNO (IN CONFESSIONAL)  
Bruno fucks anything.

LLOYD (IN CONFESSIONAL)  
But just 'cause you can see my dick  
don't mean I want you to have it.  
Lloyd does this for Lloyd.

SHALINKA (IN CONFESSIONAL)  
I will never be able to un-see that  
shit. Never. I feel sick.

Shalinka drops out of frame, gagging.

BAMBI (IN CONFESSIONAL)  
It was really big and super black  
with these like little gray hairs.  
But I don't know. Maybe that's hot?

REVEAL Carl is watching at Video Village with the writers.

CARL  
This is the best shit ever!

INT. YOGA STUDIO - DAY

The cast, in yoga gear, lay mats around the room. Boonie,  
Louie and Lloyd jockey for position behind Bambi.

Shalinka shakes her head then turns to scope out Bruno, as  
Carl enters with the YOGA INSTRUCTOR.

CARL  
Jesus will introduce you and explain  
this is about using the physical to  
tame the mental. Where is Jesus?

Jesus enters in Lycra Yoga gear emblazoned with a crucifix.  
Ms Tudi is on his heels.

MS TUDI  
Jesus, chill. It doesn't look bad.

JESUS  
Not bad, stupid Ms Tudi.

-- BOONIE WITH JESUS

Jesus calmly observes Boonie sobbing and hugging the doll.

BOONIE

Momma. Momma, momma, momma...

-- BAMBI AND BRUNO WITH JESUS

JESUS

What do you think you get from having sex all the time?

BRUNO

Orgasm! It's like, BAM, and Bruno forgets all problems.

BAMBI

Yeah, I mean you know how good an orgasm feels, right?

JESUS

(awkward laugh)

Damn, who doesn't know about that?

JESUS (IN CONFESSIONAL) (cont'd)

Me! I don't know, that's who!

(looks heavenward)

I mean the best thing you created - so I hear - and all I get is "Not for you, son." What do I get instead? Crucified!

-- BOONIE WITH JESUS

Boonie stops crying and looks up at Jesus.

BOONIE

I don't know if it's ever gonna be right between me and moms. I mean, what do you think?

JESUS

Damn Boons, we all got problems. Stop whining and man the fuck up.

END OF MONTAGE
