Hello Artists,

Staying connected while physically distancing.

We understand the personal and professional challenges and uncertainty created by these unprecedented events and are actively doing what we can to keep our community united during this extraordinary time.

Helping you stay connected.

For those of you who rely on our services (Actors, Casting, Talent Representatives, Filmmakers, Schools, Studios, Networks, and Streaming) we want to assure you that, despite the enormous impact on our industry, we are here. You can count on us to be here to provide continued customer support, training, development and the posting of projects as usual. We are also in contact with industry Unions, Guilds, Associations, and educational institutions and are working on initiatives to keep our communities connected.

We continue to release a wide range of projects for Casting. In addition, you'll notice an increase in opportunities for Open Calls, Generals and Showcases. We are providing support for all auditions to be conducted remotely via **Eco Cast**. This allows all profile and audition material to be uploaded securely and directly to Casting.

We are in this together.

As former Actors, we are unwavering about the protection, promotion, support and fair representation of Actors. Your **Actors Access** profile is free to create and maintain (you do not pay any initial or recurring fees). Any of our services that have associated costs are optional, are the lowest fees in the industry and do not restrict access to your profile.

To further assist during this time, we are providing the following:

- **Free month for all NEW and CURRENT Actors Access Plus annual members.**
An additional month will be automatically added to your membership.

We continue to experience many rapid changes to our lives and the world at large. In order to stem the tide of this health crisis, we are following global protective measures including stay-at-home orders, social distancing and frequent, thorough hand washing. The health and safety of our clients, our Breakdown Services Team, families and loved ones is our top priority. You are not alone. Our collective resilience, empathy, compassion, hope, and collaborative approach will see us through this.

Sincerely,

Gary Marsh and the Breakdown Services Team

Breakdown Services champions authenticity and diversity in Casting and proudly works with the Casting Society of America (CSA), performers unions (including SAG-AFTRA, EQUITY, UBCP/ACTRA), GLAAD, MENASA advocates and other underrepresented Talent to shine a light on fair representation in Casting. To protect all Actors who use our site, we vet all people who request our service and represent Talent and those who post projects with us. We are proud to advocate for safe standards and the protection of all members of our community.

NOTE: There are many opportunities being advertised and we urge you to do careful research, ask the community and report any questionable activity. Before participating, consider your safety, privacy, potential usage of your material and any financial component.
