

DISNEY BRANDED TELEVISION OPEN CALL
SUBMISSION INFORMATION

Hello, Parents & Guardians!

Disney Branded Television and Greenstein/Daniel Casting are currently holding a GLOBAL TALENT SEARCH for the Lead Roles in a brand-new Television Pilot! ***As with all our casting searches, there is never a fee nor a guarantee of employment.***

HOW TO GET STARTED

All self-tapes will be submitted through the Actors Access website.

IF YOUR CHILD DOES NOT HAVE AN ACTORS ACCESS ACCOUNT

If your child does not have an account, parents and guardians can create a FREE account here:

<https://www.actorsaccess.com/register/>

We understand there are many options once you have registered, but we will only need you to upload your child's photo and, if they have one, a resume you create on your FREE profile.

Once logged in, submit your talent to this project link via EcoCast (<https://breakdownservices.com/index.cfm/opencall?oc=dc7zf>), where you can find more information on how to submit and select **one side** to perform. You will also upload the performer's video materials including the self-tape and additional clips (ex. song, musical instrument skills). All communication moving forward will be sent from Actors Access.

IF YOUR CHILD HAS AN EXISTING ACTORS ACCESS ACCOUNT

If your child has an existing Actors Access account, submit your talent to this project link via EcoCast (<https://breakdownservices.com/index.cfm/opencall?oc=dc7zf>), where you can find more information on how to submit and select one side to perform. You will also upload the performer's video materials there - the self-tape and additional clips (ex. song, musical instrument skills). All communication moving forward will be sent from Actors Access.

IF YOU HAVE ANY ISSUES WITH ACTORS ACCESS

FYI: If you have any issues on the Actors Access website (ex. have an old Actors Access account from a previous rep that needs to be updated to your current information), please contact Actors Access support at support@actorsaccess.com or 310-385-6920.

PERFORMERS ARE NOT REQUIRED TO LEARN OR MEMORIZE LINES IN ADVANCE OF THEIR INTERVIEW.

1. NAME
2. HEIGHT
3. AGE (if minor)
4. CURRENT LOCATION
5. PLEASE LIST IF YOU PLAY ANY MUSICAL INSTRUMENTS

Scene Setup:

- The reader should be off-screen and next to the camera so that we can see the performer's eye line.
- The camera should focus on a medium shot of the performer (shoulders up) so that we can clearly see their face.
- We prefer for the performer to stand (more energy), and accommodations will be made for performers who are unable to stand.
- Please upload the performer's self-tape to EcoCast with their name and role in the filename (ex. "JANESMITH_RoleofAlex")
- PERFORMERS ARE NOT REQUIRED TO LEARN OR MEMORIZE LINES IN ADVANCE OF THEIR INTERVIEW.

Skills - If the performer already has a clip or clips of themselves singing / dancing / playing instruments / showcasing skills from the last six months, please feel free to upload those. You may upload multiple clips. For clarity, only upload these clips if they already exist. Label each clip as "FULLNAME_SongClip," "FULLNAME_PianoClip," "FULLNAME_GuitarClip" etc.
